DESCRIPTION

Enjoy open-top driving with this Audi TT 1.8T Roadster, finished in a striking blue that really catches the eye. The iconic TT shape, coupled with the classic manual feel, makes this a genuinely engaging car to drive, whether you're cruising on a weekend or commuting in style with the roof down when the weather allows.

Powered by a responsive 1.8-litre petrol engine producing 150 bhp, and paired with a 6-speed manual gearbox, it offers a great balance of performance and everyday usability. With a two-seat layout, it's ideal for drivers who like something a little different, while the Euro 4 compliance and ULEZ compliance make it a sensible option for use in London. With CO2 listed at 199 g/km, it's well suited to those looking for a modern classic motoring experience without compromise.

This example has covered 105,500 miles and comes with history, giving it a well-established background. It's ready for its next chapter and would be an excellent choice for anyone seeking a stylish, ULEZ-compliant Audi Roadster. Please enquire today to arrange a viewing and take a look for yourself.

FEATURES

- Electric Roof
- Premium Sound
- All extras
- Private Plate Included
